Principal's Patter:

School Funds
Following the mileage being sought by various parties in the press recently, it is timely that I make available information about the state of finances at Beverley District High School. We have an extremely adept Registrar in Mrs Carroll and a Finance Committee which meets monthly to verify financial actions being taken in pursuit of an efficient learning environment at school. A substantial part of the argument in the press was due to those schools that had not itemised their finances and had instead a large lump sum unallocated to expenditure areas. This reflects an incorrect picture. We have allocated funds proportionately across the school and across all learning and administration areas; as well as astute financing of reserves to ensure that replacement of equipment can be facilitated on a professional timeline.

P&C
I make another impassioned plea on behalf of the P&C for someone to come forward and take up the position of Canteen coordinator. Last week Teresa was very much under the pump again putting out meals for your children all by herself. It is not an arduous role, but one ensuring the continued viability of your canteen and the provision of healthy meals for your children. Please consider.

BIGGEST WIN
Congratulations to our Interschool Cross-Country team on their outstanding performance last Thursday in York. They returned with the shield having won the day. In a solid contribution from our competitors, where most gained placing points for finishing in the first 10 in their race, our overall points tally was some 30 points in front of the second-placed team. Many thanks to Mrs Murray for coordinating the regular practice sessions after the Faction Cross-Country which ensured our fitness and staying ability. Thank you also to Mrs Thomas for assisting in the management of our team on the day.

Kindy Enrolments
To enable planning and organisation issues to be attended to, parents are requested to complete enrolment procedures for their child for next year – 2015. Please pass this message on to parents who are not yet members of our school community. Enrolments close 25 July 2014.

Values
The new value commenced this week is **Courage**. This attribute encompasses the ability in any number of life situations to remain true to yourself, your friends, family and work place.

Thought for the Week
I touch the future. I teach.
*Christa McAuliffe*

Norm Ireland
Principal
The Deputy’s Dialect

We have a lot to celebrate this term, ‘Winners are Grinners!!’ Our students have achieved the ultimate goal of bringing home the
INTERSCHOOL CROSS COUNTRY SHIELD!!!!!!!!!!!!!!

INTERSCHOOL CROSS COUNTRY:
What a success!! I am so proud of our Interschool team! Not only did they bring home the Interschool Cross Country Shield but they
conducted themselves beautifully and everyone gave it their best shot by completing the course. Congratulations to our medal winners
and to those who tried their very best. You are all CHAMPIONS!!

I must also thank and recognise Mrs Megan Vandenberg who helps organise these events. Thank you also to Mrs Thomas for her
assistance on the day and to all of our very supportive parents who transported students and came along to cheer our runners across
the finish line! Our students are very lucky to have such wonderful support.

FACTION CAPTAINS
What fabulous Faction Captains we have! They have worked tirelessly this term in organising Carnivals, team practice, sports
equipment, lunch-time activities and attending weekly meetings. Students are enjoying all of the sporting opportunities that they are
being given at school this term. I am seeing lots of faction points being put in the collection box so students must be doing great things.

WINTER SPORTS CARNIVAL
Our Netball, Soccer and Football teams have been training hard getting ready for the Winter Carnival on Friday 20 June (Week 8)! We
have had great community support in training our teams with Steve Byworth coaching our soccer team, Graeme Lewis and Robbie
Wansbrough coaching our football team and Mrs Shaw and Mrs Thomas coaching our netball teams! Thank you to these volunteers for
giving their time to help us be the best we can be!! Our students have been enjoying the hands-on approach of their coaches this term.
All the best to all teams next Friday, have a great time!!!

P&C
It was great to see so many people supporting our P&C’s cake stall on the weekend. It would be great to see some more faces at P&C
gatherings to lighten the load of the current committee. Congratulations on another successful fundraiser!

ATTENDANCE
I am looking at the attendance of students this term and I cannot stress enough the importance of attending school regularly and only
taking days off when absolutely necessary. If students are sick, by all means keep them at home, otherwise we would love to see their
smiling faces at school every other day!

As a school we are mandated to send home Individual attendance letters if your child has not provided a note or you have not contacted
the school via text or phone to explain their absence. Please read the note carefully, some are Late (L) arrivals to school and some are
Unexplained Absences (U). These letters need to be completed and returned to classroom teachers. Please do not take offense to
these notes, they are part of our Duty of Care to your child and everyone needs to be aware of the circumstances regarding absences.
If your child falls below the required 90% attendance rate by the department you may also receive a letter notifying you of their
attendance rate. Again, this is mandated and school protocol.

ANZ TENNIS HOT SHOTS
We are very lucky to have ANZ Tennis Hot Shots Roadshow coming to school for some tennis coaching sessions on Wednesday 18th
June (Week 8). This is a free half hour coaching session for 5 – 10 year olds and therefore will be available to Pre Primary – Year 4/5
students. As the Year 2/3 Class will be on their exciting excursion to The Bullsbrook Maze, we are offering a 3 – 3.30pm coaching
session.

Keep up the great work everyone! I’m looking forward to seeing that Beverley fighting spirit at the Winter Carnival! Keep smiling.

Aliesha Murray
Acting Deputy Principal

Deputy’s Gag of The Week:

What did one ocean say to the other ocean? Nothing, they just waved!!

Congratulations
Cross Country Team
THANK YOU!
The BDHS P&C would like to say a big ‘Thank You’ to all of those involved in the cake stall held last Saturday. Thank you to the amazing people who cooked up a storm - we were absolutely astounded by the large amount of delicious cakes, biscuits and slices brought down on the day to be sold. Thank you also to the wonderful P&C members who organised such a successful day (bagging sheep manure and cutting firewood for the raffle) and gave up their time on the weekend to manage the stall. And of course, we would love to thank the Beverley community for their marvellous support purchasing our goods and buying raffle tickets, we are very grateful. It was such a successful event and we raised over $1000. Congratulations to Roy Jackson who won the wood raffle! The $100 raffle is yet to be completed (tickets are $2 each with the chance to win a $100 note!)

Canteen News
A huge thank you to everyone that has helped out in the canteen this term, your support is greatly appreciated. We still have a few days left that Teresa requires assistance- Wednesday 11th June. Wednesday 18th June, Wednesday 25th June and Friday 4th June (last day of term), if you are able to help please contact me on 9647 2165 or email petey@tpg.com.au or let the school know that you are available. Thank you

03.07.14 - Uniform Shop Open
04.07.14 - Student Reports Home
04.07.14 - Last Day of Term 2

THE WORLD OF MATHS INCURSION
Mr Matthews from The World of Maths Roadshow came to Beverley DHS On Friday 30th June. Our students attended one of two sessions that were run for different age groups. The students worked in multi-age groups on lots of hands-on problem solving Maths activities. Congratulations to the students, they had a great time and worked really well together. Thank you to our teachers and parents who came along to join in the activities. Mr Matthews was so impressed at the level of teacher and parent involvement on the day. Our students learnt some very valuable and practical Mathematical skills through participating in this venture!

Kindy Enrolments for 2015
Please collect an Enrolment Form from the school office. Completed Enrolment forms are due back by Friday 25th July 2014.

Children who were born between 1st July 2010 and 30th June 2011 are eligible to attend Kindergarten in 2015.

An Information Session will be held at the Kindergarten at a later date.
