Principal's Patter:

Athletics Faction Carnival
Congratulations to the parents and community members for their support of the children and the school last Friday on an absolutely marvellous day. To have had so many people there assisting and encouraging the competitors was a fantastic example of our Beverley spirit. I was particularly impressed with the children for both their behaviour in the bays and their competitiveness in the events. Congratulations to Mrs Moore for her management of this significant event and to our school staff for so ably supporting her both before and during the day.

Next Friday, 19 September, we host the Interschool Athletics, beginning at 9am on the town oval.

NAPLAN
The school received this week full information from this year’s testing. Results are pleasing and improved, particularly in Writing. We currently have a focus on Spelling within the school and need to keep this to the fore as those results were quite low.
Parent information and children’s result brochures accompany this newsletter.

School Processes
A timely reminder to everyone of the need to sign-in when coming in to school and the caution with on-site photography to ensure it is not published depicting other children than your own.

Parent Communication
The school needs to get messages and information home to parents or carers on a regular basis for a variety of purposes, and it is frustrating for both parties when the communication does not reach its destination in a timely manner.
We endeavour to send home notes, newsletters information etc on a Thursday as opposed to any other day. Could you please check your child’s bag each Thursday to ensure there is not an item of communication waiting for you.

Values
The continuing value this week is Consideration. A measured, thoughtful approach to actions will be more positive in their outcomes than hasty, ill-considered choices.

Office Display
Thank you to Mrs Minchin and the LOTE Italian classes for adding to our front office environment with their display. Mrs Thomas and children from the Yr4/5 class will shortly be providing their display for our enjoyment.

Faction Carnival
It was wonderful to see students and the whole school community working hard and having a very enjoyable day for our faction sports carnival last Friday. All the participation and friendly competition was terrific, and I really enjoyed seeing our students encourage each other and work together. Congratulations to Forrest on their victory, but also to the other factions for their strong showing and determination to do their best. Congratulations to our champions, and to all participants.

I would like to say some particularly big thank yous to Mrs Megan Vandenberg, Mrs Alesha Murray, Mr Norm Ireland, Mrs Jo Sims, Miss Chantelle Meade, and Mrs Kellie Shaw for helping with the organisation of the carnival. I would like to thank all the teachers and school staff for their work in preparing students and all the teachers and parent helpers who made the day run smoothly. I would also like to thank Mr Tim Cooke, P&C President, and Councillor Peter Gogol for coming along and presenting the medals and shields. We very much appreciate their attendance.

I would like to especially thank the Sports Committee and all their helpers for organising the marking of the oval which has been done so professionally (despite a number of challenges) and for carting gear and setting everything up on the day. I would like to particularly thank Mr Brendan McLean and Mr Andrew Shaw. Thanks very much to the judges, marshalls, time keepers, presenters and recorders who volunteered to help out on the day and did their jobs so admirably.

The P&C has once again been very generous in organising lunches for the carnival and providing the delicious morning tea for us all to enjoy. Special thanks to Anthea and Teresa and all the helpers in the canteen. I would also like to sincerely thank our local IGA for donating all the delicious fruit that students and helpers were able to enjoy on the day. It was a generous donation and very greatly appreciated.

Interschool Carnival
The interschool athletics carnival will be held at Beverley on Friday 19 September. You will receive notification if your child is competing in the Carnival this week. If not competing at the Interschool Carnival, the students will remain at school and will undertake a range of appropriate activities, although timetables and class placement may vary from the normal Friday timetable. Parents are encouraged to come along and support their children at the carnival, and again we would greatly appreciate offers of help on the day. Please complete the slip below or telephone the school if you are able to help in any way.

Crunch and Sip at School
September is Crunch and Sip Month and the school will be participating by joining in with The Great Aussie Crunch. Next Tuesday we’ll all get together and CRUNCH apples and carrots along with students in schools across Australia, to see whether we can make the loudest crunch in the whole country. It is a great opportunity to remind our students of the enjoyment and nutritional value of fruit and vegetables, and of the importance of eating them every day.

Footy Colours Day
I know what I’ll be wearing on Friday: It’s Footy Colours day and we’d love to see everyone at school showing their support for their favourite team – local, WAFL or AFL. Some people even call rugby and soccer football, and I’m not going to argue with them if that is their preference. I would encourage everyone to get into the spirit of the day and bring along a gold coin donation in support of the Student Council’s fundraising for Fight Cancer Foundation Go the Hawks!!

Wendy Moore,
Deputy Principal
