Independent Public School

"Working in unity to empower individuals to achieve their unique potential."

Beverley DHS sits on the lands of our Noongar people, and we acknowledge them as the traditional custodians of the Ballardong country.

## Welcome from our new Principal

My name is Wendy Norris and I'm really looking forward to joining Beverley District High School as Principal in 2026. I've worked across all phases of learning, from primary and secondary through to TAFE, and across many regional and rural communities from all points of WA, including around 20 years in the Esperance region, with my last position being Principal of Laverton School. My husband, Steve and I have raised two daughters in the rural schools (Bek and Cait), both now working successfully in the Pilbara and Kimberley, while Steve is a teacher at Kondinin Primary School. I believe schools are a microcosm of the community and will best succeed when the school, families and community walk side-by-side. I believe a child's education shouldn't be determined by postcode and therefore value a strong school culture and close partnerships with families and community, maintaining student outcomes at the centre of all decisions. Outside of work, I enjoy spending time relaxing with family, being part of the community, love sport, am a long-suffering Carlton supporter, follow West Coast Fever (more likely to win their next GF in my lifetime than Carlton), and don't mind a bit of cricket, especially when Australia is dominating the Ashes. I'm looking forward to meeting students, families and community members and continuing the great work already happening at Beverley DHS.
