8. New Business

- a) Adrian discussed the wish list for 2022, the P&C had committed \$16,000 to the undercover area PA system. This is no longer suitable due to the Covid restrictions. The school CASS have requested that the \$16,000 go towards installing artificial turf in the red shed area. Quotes haven't yet been finalised.

The P&C moved to commit up to \$16,000 to the artificial turf project in the red shed.

Matt suggested if possible the P&C could contribute to this project in terms of earth works or labour to reduce cost.

Skye Doncon will research CBH community grants possibly up to \$10,000.

- Spring Back into Beverley event discussed. 24th-25th September. Possible ideas; swap meet at the school oval – charge stall holders a fee and art exhibition in the new red shed undercover area or station arts, to auction framed students work from residence in artist programme currently running at the school. Aliesha will talk to the artist about producing a piece for the P&C.
