## 8. New Business

- a) Nature playground upgrade under the olive trees in year 1-3 area. Guy Singerland is again a possible option to complete the project he will get in touch with Megan Vandenberg on Wednesday to double check some concerns. We also have had an offer from Kristian Blechynden also to complete the project if Guy is unable to commit to the work. Skye Doncon has checked with the shire if we can get another builder and the shire has confirmed that the grant application is available to spend even if the builder changes, but the project needs to be completed in the grant time before the end of January 2023.
- b) Wish List 2023. Three items were discussed: Undercover area and PA system, Music equipment and welcome hats. The P&C are happy for Aliesha Murray to source quotes for the PA System and investigate how to manage security concerns for the equipment. The welcome hat is to be left for future discussion.

The P&C commit to spend \$1518.00 of P&C funds to go towards Jumbie Jams and Sonor Glockenspiel, which are items one and two on the music wishlist. Melissa Blechynden will purchase these items this month. Skye Doncon put this motion forward and the motion was carried.
