 - Hopefully there will be an outcome to the Principal position in January
- VII. Sub-Committee Reports-

Uniform Shop- No formal report.

Skye has investigated the possibility of looking at Uniform West as a uniform supplier. Under their system, they carry the stock so no P&C money is tied up in uniforms (Currently we hold about \$10,000 worth of stock). Discussions are still in a preliminary stage as to whether they would take on a small rural school- Skye will inform committee as to any progress she makes. If we were to change uniform suppliers, they may not supply the exact same polo, however Aliesha indicated that as long as if was very similar and could be 'phased in', this would not be a problem. Carissa will hold off on advertising the online portal with HyperSport until the outcome of these discussions is known.

K-PP Committee- No meeting since last P&C meeting. Hope to meet in the next few weeks.
