Email: beverley.dhs@education.wa.edu.au

The school welcomes and values volunteers working with students, both in classrooms and during special activities and excursions. For schools in small and close-knit communities, this type of support involves some additional benefits and responsibilities. To ensure that this involvement in our school is a positive experience for all concerned, we ask all volunteers to read and agree to the following:

**CONFIDENTIALITY AGREEMENT 2017**

I \_\_\_\_\_, being

a) the parent or legal guardian of the following students:

\_\_\_\_\_

or

b) volunteering in the school in the following capacity

\_\_\_\_\_

agree to abide by the Confidentiality Agreement as set below.

As a voluntary worker participating in classroom activities I acknowledge that each student has the right to expect confidentiality in regards to their learning capacity, behaviour and general participation in classroom tasks. I acknowledge and accept that other parents would appreciate this courtesy extended to them and their families.

I will *not* discuss

- private details about any student, whether revealed by the student or by others, including family circumstances
- any student's social, behavioural or academic attributes or needs,
- any individual learning plan or behaviour plan as implemented in the class, or
- any staff member's management or support of a particular student

with anyone other than the classroom teacher, the principal or the deputy principal of the school.

I will not take photographs of any child or staff member on the school site. I will refrain from using my mobile phone in the classroom or playground. I will not post about, or comment on, my experiences in the classroom on social media.

I understand and respect the school's decision to decline my future involvement as a voluntary parent helper if I have been unable to comply with the details or the intention of this agreement.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_
