

Mr Adrian Lister
Principal
Beverley District High School
20 John Street
BEVERLEY WA 6304

Dear Adrian

I am pleased to advise that the Public School Review of Beverley District High School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review for your school has been determined through your self-assessment submission and validated by the review team as three years. The review will be undertaken in Term 4, 2024.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

The provision of stability and momentum in a school's improvement journey is difficult to maintain at the best of times and this makes the efforts of three different leadership teams over the past five years quite remarkable. You are to be congratulated for your evolving focus on the achievements of the secondary students and for building on the foundations of strong primary school data. Underpinning these factors, through consistent and low variability practice across the school, is bound to reap rewards for your community and its children.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
