CANTEEN – PLEASE HELP

Our school canteen is currently operational on Fridays. Tegan Hudson is currently coordinating the canteen. We are asking for volunteers to help in the canteen to work with Tegan doing basic food preparation on Fridays from 9am – 1pm. We are also looking for someone who may be interested in taking on the coordination of the canteen. If you are willing to assist with the canteen in any way please contact Carissa Shaw on 0428813822 or carissapoultney@hotmail.com. Should we not be able to fill our volunteer roster and coordination position, the P&C will be forced to close the school canteen.

A healthy lunchbox

Healthy lunches and snacks are important for keeping active kids alert and focused and providing them with the nutrition they need every day.

A healthy lunch box should include:

- Fruit – at least one serve of fresh seasonal fruit. If you don't have fresh fruit, canned (in natural juice) is a good substitute. Dried fruit is high in sugar and should be avoided
- Vegetables – vegetable sticks, salads or a mix of raw (with dip) or grilled vegetables
- Dairy – one serve of milk, yoghurt or cheese supports optimal growth and development in children. If your child can't tolerate dairy provide a suitable alternative.
- Protein – lean meat or poultry, fish, eggs, tofu, legumes/beans, or nuts and seeds.
- Grain foods – wholegrain and high fiber varieties are best.
- Water – the best drink to keep children hydrated.

Quick Tip

Remember, children who help plan and prepare their own lunch are more likely to eat it. Your child might like to try out this fun, 'Interactive Lunchbox' website:
