## Secondary Assembly

Our Secondary students entertained us with their 'School Photo' poem and re-enactment! As always the students and parents enjoyed the show and we really admire the efforts of this great group of students. HILARIOUS!!

## Piano Concert

We would like to congratulate these piano students for their fabulous performances in the Piano Concert at school last week. The students enjoyed showing staff and families their piano playing skills and the audience were certainly impressed with the progress they have made.

We also take this chance to thank Mrs Amalia Curtin for her efforts in providing our students with a private piano tuition option over the past three years. This has been a valuable learning experience for them and we wish her all the best as she enters into the world of motherhood in the new year.

## Kindy & Pre-Primary Christmas Concert

The Kindy & Pre-Primary families had a wonderful time last night celebrating the year with lots of singing and dancing. We hope you can join us for the PP Assembly **9am Thursday 13<sup>th</sup> December 2018**. A HUGE thank you to the staff and KPP Committee for hosting this event every year. Santa came to visit on his amazing sleigh provided by the Eggers and McGaw families; thank you for your efforts.

A special farewell to our treasured Mrs Lois Edwards, who is retiring after completing 21 years on staff at Beverley District High School. 'Mrs Eggwards' will be sadly missed and we wish her all the best for her next chapter.

## Year 5/6 Police visit

What a wonderfully informative visit from our local police. Sergeant Gubanyi and Senior Constable Jeffrey spoke to the Yr 5/6 students about online safety and provided some examples of risky situations and scams to be aware of.

They also provided some tips on how to protect themselves from potential problems online, which linked in nicely to the Protective Behaviours program the Yr 5/6 class have recently completed.

We would like to thank our local police for their support of the school and making time to join us for these great educational experiences.

## New Electronic Reports

The Department of Education has set up new **online** reporting systems, and schools across the state are moving to the new system. The advantage of this new system is that you can easily forward the reports, and can access them in years to come via Connect. School reports for Semester 2 will be **published on Connect**. Please contact your child's class teacher if you no longer have your P number to log in, and they will provide it to you. The reports will also be **emailed** to your registered email address. They will be available through a link in the email for a period of four weeks.

**Paper copies will not be provided** unless a specific request is sent to the front office **by 3pm Friday 7<sup>th</sup> December 2018** in writing or via [beverley.dhs@education.wa.edu.au](mailto:beverley.dhs@education.wa.edu.au)

## Presentation Night 2018

Join us on Wednesday  
**12/12/2018** as we recognise  
our students' hard work and  
achievements for the year.

We will commence 6pm  
promptly, at the Beverley Platform Theatre.  
Students are to wear their school uniforms and will be seated  
with their teachers. Drink bottles and mosquito repellent are  
a good idea.

### P&C Supper:

The P&C will serve a light supper at the end of the night. We would appreciate all families bringing a plate of cakes or slices to share. Tea and coffee will be available.
