Our School Voice

Wednesday 17<sup>th</sup> June, 2020

Hello all,

Week 8 and not only are we almost at the end of the Term we are working our way back to a 'new normal' at school. Whilst there is still a lot of extra cleaning going on and lots of extra sanitiser around the school we are now also starting to see some of the restrictions relax, particularly when it comes to visitors on site. We welcomed back our School Nurse Helen today and we will see the return of other allied support professionals over the coming weeks.

These relaxations also mean that whilst we still need to socially distance and have rigorous hygiene practises we are welcome to invite parents back on site for certain activities. July the 1<sup>st</sup> and 2<sup>nd</sup> are the key dates I want you to put into your calendar. On the 1<sup>st</sup> of July we will be hosting our Annual Year 6 Speech Night and on the 2<sup>nd</sup> of July our Year 2/3 class will be hosting an assembly, to both of which relevant parents are not only welcome but encouraged to attend! One small change that you should be aware of is that this assembly and all assemblies next term will start at 9am on Thursdays, a change from the 2pm in which they have started at over the last couple of years. This change will allow us to make a few exciting changes to the assemblies where we have in the past struggled with time, in our attempt to finish before 2:30 and the close of school.

In week 6 we held our cross country carnival, whilst it was unfortunate that parents were unable to attend I can tell you that the students had a fantastic time. Thank you again to Mrs Bailey for her organisation and well done to all the students, the effort and sportsmanship on the day was superb. Another exciting development is that Interschool Carnivals are now able to go ahead. The Interschool Cross Country Carnival will be the first event on the sporting calendar next term, Mrs Bailey will be contacting the families of the students who qualified in the near future. Faction Athletics, Interschool Athletics, and Interschool Swimming carnivals at this stage will also all go ahead and the Secondary Winter Carnival has been adapted and moved to Spring but will also go ahead, albeit with maybe some different sports. Very exciting news, watch this space!

I am also very happy to let you all know that Bec and her wonderful team in the canteen are now back up and running on Mondays in addition to the regular Fridays. What a treat it is to be able to not worry about what is in the lunch box and just let our wonderful canteen men and ladies prepare a delicious recess and lunch for you. It is worth noting that the canteen is working towards becoming a cashless canteen system, if you haven't already I would encourage you to download the app and order through there.

Thank you everyone, have a great week

Ben Ratz  
Principal

## Faction Cross Country

While our Faction Cross Country Carnival format was indeed very different this year, the effort and hard work that our students put in to their running did not alter come carnival day. I have been extremely proud all term of the way all students have tackled cross country training during fitness for primary students, and Physical Education lessons for secondary students. We had several close races which was wonderful to see. Some placings were determined by a sprint finish! Dale faction held the lead all day; however, the efforts of our secondary Forrest students saw their faction move from third place to second. Thank you to Mrs Sharlee Higgins for assisting me to run proceedings on the day. I am pleased to say that an Interschool Cross Country Carnival will be held early next term. Team members will be notified by the end of the week.

#### Thank-you

The Beverley DHS P&C would like to say a HUGE thankyou to Mike Fairclough, for his continued sponsorship of the P&C in 2020. This support is much appreciated and we hope to be able to use this money to bring an 'event' to our school community again this year.... stay tuned!!

**Reminder: All tickets, sold or unsold must be returned to school on Friday, June 19<sup>th</sup> 2020.**

As the weather cools down the P&C have been working hard to chop a trailer load of firewood to raffle as a P&C fundraiser to keep you warm this winter!

Each family has been allocated 10 tickets to sell and they have been sent home from school today.

**Tickets are \$2 each OR 3 for \$5.**

Please ensure that the person writes their **full name and contact number on the ticket** and **tickets are returned to the school** (with the money) to go in the draw.

The raffle will be drawn  
**on Thursday, the 25<sup>th</sup> June 2020.**

**Additional tickets can be requested from the school to be sent home, or are available to purchase at businesses in the main street.**
