### **Interschool Athletics Carnival**

This week Beverley DHS hosts the Central Great Southern Interschool Athletics Carnival over two days, with the Secondary carnival on Thursday followed by the Primary carnival on Friday. Our team has been training strongly and I am sure all of our students who are participating will give their absolute personal best. Go Team Beverley and I wish all of our competitors the best of success across the two carnival days.

### **National School Opinion Survey**

It has come to my attention that the National Schools Opinion Survey emailed to parents over a week ago may have been addressed to students in error. The salutation line has been addressed to the student (your child) when in fact it should have been addressed to you, the parent / carer. The *survey link* and *code* contained within the email will definitely take you to the Parent Survey which we ask you to complete prior to **Monday 21st September 2020**. Students from Year 5 - 10 are completing the Student Survey at school and have not been emailed. Apologies for any confusion this may have caused. Parents please complete the survey by accessing the link emailed to you. If you have asked your child to complete this survey, instead of you the parent, please contact the school to let us know and we can reset the survey for you to complete.

### **National Child Protection Week**

The Department of Education is committed to being a child safe organisation through the prevention, identification and reporting of child abuse and neglect. This includes the provision of support to children who have been abused, or are affected by abuse or neglect. The aim of *National Child Protection Week* is to bring abuse and neglect out of the shadows and to put child wellbeing on the national agenda. The 2020 theme of National Child Protection week is 'putting children first'. Parents can support the National Child Protection Week campaign by:

- Downloading the available Protective Behaviours Parent Resource from the *Parenting resources tab* at <https://www.education.wa.edu.au/learning-at-home/support-services-and-resources>.

For further information, parents can visit:

- the National Association for Prevention of Child Abuse and Neglect (NAPCAN) webpage on National Child Protection Week <https://www.napcan.org.au/national-child-protection-week/>.

### **Hats - SunSmart**

A general reminder to parents that the effects of regular exposure to the sun can cause significant skin damage if children are not taking the necessary steps to protect themselves by wearing appropriate clothing, including hats, and applying sunscreen when playing outside. As a school, we regularly supply and make available sunscreen to students to apply before going outside, and all students are expected to wear a hat (preferably broad-brimmed) when outside. There have been instances recently where some students have not had a hat at school and have had remain in undercover areas. Please make sure that your child/ren are bringing their hat to school with them each day.

Some Sun Smart facts:

- School hours fall within peak UV periods of the day.
- Exposure to UV in adolescence contributes to skin cancer risk in later life.
- Melanoma is the most common cancer in Australian adolescents aged 15–29 years.

## **Uniform Shop News:**

As previously advised, the Uniform Shop is transitioning to an online ordering system, whereby uniforms are ordered online, and sent directly to you. Please be aware that there is *at least* a 3 week turn-around time for uniforms. The P&C will continue to offer a Winter and a Summer Bulk Order each year for those who wish. Hats and Faction Shirts are still to be purchased directly from the school and are not available through the portal.

The online Uniform Shop portal is now open, and instructions for using the new systems are as follows:

- Visit website [www.hypersports.net.au](http://www.hypersports.net.au)
- Click on start shopping
- Click on the "Hypersports" customer portal
- Scroll down and click on "Schools"
- Choose "BDHS"
- Once you have selected your items and finished shopping, hit the cart icon and then create your account- this is where you enter your payment details.
- Once parents have created their own accounts they can shop as often as they like providing they remember their username and password.

## Year 1/2 Assembly

Our Year 1/2 class have worked hard this term with Mrs Gollan and Mrs Brennan to prepare for the Week 6 Assembly. They presented some fabulous percussion items using a range of conventional and non-conventional musical instruments. The Year 1/2's percussion skill development was certainly on show for all to enjoy and this is due to the wonderful work of Mrs Romola Brennan in teaching music at Beverley DHS this year.

## Dental Van Visit – Term 4

It's that time of year again when the dental van is coming to visit Beverley D.H.S; we will be starting on **Monday 12<sup>th</sup> October**.

If your child is enrolled in the service you can expect (or may even have received) an appointment letter, we do endeavour to book siblings in at the same time but occasionally siblings are separated, if you have received multiple appointments and would like them together please call the staff at the dental van and we will make every effort to accommodate this.

We do encourage parents to attend the first appointment as even if the child has previously been seen in our service we still require medical history's to be either updated or a new history taken, and other paperwork completed, as well as if your child requires treatment its often easier to discuss in person and to gain written consent.

**If you are unable to attend the first appointment please call the dental van staff (Mohamed and Rachel, Ph: 0437 202 882) before the appointment and advise us that you wish for us to get your child from class (in this case we will send paperwork home with your child, so please check their backpack :o) )**

We are expecting to be at the school for approximately 6 weeks so please return all paperwork ASAP either by dropping in to the van or alternatively it can be given to your child's teacher.

Due to Covid-19 there has been a few small changes in the way we deliver our service, we do prefer to keep the number of people in the van at any one time to a minimum where possible, occasionally if we have large families in we may ask some children to wait outside the van (as long as they are old enough to do so). Also we do ask everyone who enters the van to sanitise their hands with the provided hand sanitiser.

You will also receive a letter "Before attending your next dental appointment", the purpose of this is to screen all patients/ parents/carers for Covid-19 prior to attending the dental van. As stated if anyone attending this appointment answers "YES" to any of the questions please call the staff BEFORE attending the appointment (Ph.: 0437 202 882).

Finally we are looking forward to seeing you all and visiting the lovely town of Beverley for the beginning of term 4.

See you soon!
