BDHS Open Afternoon

The BDHS Open Afternoon was a big success! Thank you to all of the families and community members who were able to come in to view our students' classrooms and school facilities! We hope that you were able to get a sense of our SPARK mantra that flows through our school 'everywhere and always'!

We were especially impressed by our families' efforts in the 'Family Selfie Competition'. Winner to be announced...

Our BDHS School Board and P&C members did a wonderful job cooking the sausage sizzle and providing refreshments to all of our guests. Thank you very much for your help on the day.

There is never a dull moment with balloon games to finish the day!! What a great bunch these Beverley DHS families are!!

Year 6 Rottneest Camp

On Tuesday 12th March, the year 6 class, accompanied by Mrs Aynsley, Mrs Jennings and Mr Doyle, headed off on camp in the bus, driven by Mr Schilling. Full of excitement and bubbling with energy, they travelled to Rottneest Island for four days of sun, bike riding, snorkelling, exploring, quokka selfies and some island history. Highlights of the trip were the Cycle Challenge, visiting the guns and tunnels of Oliver Hill, swimming, games' night and spending time with classmates. A huge thank you to our parent helpers; you made our camp one to remember forever.

THANK YOU

Interschool Swimming Carnival

Our Interschool Swimming Team attended the CGSISA Swimming Carnival hosted by York on Friday. The team swam so well and represented our school showing great sportsmanship and determination. Congratulations to Zeke who won the runner-up Year 6 Boy division, he swam so well on the day! Our high school team brought home the handi-cap shield and Beverley DHS came third overall in both the Primary and Secondary Carnivals. **CONGRATULATIONS** to all of our students who competed in the day, you should all be very proud of your performance.

P&C Update

The P&C held its first general meeting for 2019 on Tuesday, 12th March. Our main item of business was to discuss and prioritise the Developmental Learning Team Wishlist items, in keeping with our fundraising priority to provide resources for students in their classrooms. To date, we have prioritised the following items to be funded by the P&C in 2019:

K-2 DELT- Reading Eggs subscription for all students
7-10 DELT- 4 x new microscopes for the Science Lab and \$300 for equipment for the Home Economics Room (Mixers and Knife Sharpeners)

We kick started out fundraising for 2019 by holding a sausage sizzle at the Elsegood Family clearing sale on Friday, 15th March. Many thanks to Tim and Becky for this opportunity to raise funds.

We have some other activities planned in the coming months and will be actively asking and looking for helpers for each of these events- please help us out if you are available to do so as all money is being used to fund resources for our students!

Thank you to all parents and carers who have volunteered their time for 'Canteen Duty'. Watch out for the Term 2 Winter menu that will be coming soon! Duty this week is:

Week 8 27th March Vanessa Hewitt

Week 9 3rd April Kristy Parker

Our next meeting is on Tuesday, 9th March in the staff room at 7pm. All members of the school community are welcome and encouraged to attend.
