We enjoy being a part of as many different junior sports as possible and attending different community events. I believe in retaining and improving our local resources such as our school, hospital, bank, police, etc. while supporting progress. The reason for nominating onto the BDHS School Board is that I believe I can offer supportive, realistic & common sense ways to improve how the SPARK principles are implemented by staff for both students and parents.</p>		
<p>2. Jaylee Tonkin</p>	<p>I'm a relief teacher at the school across the years from PP TO Year 10. I'm passionate about educational progress for all students and wish to continue to build on the success I've seen at Beverley school in the last decade. Thanks for your consideration to the board.</p>		
<p>3. Deb Kitai</p>	<p>My family and I moved to Beverley nearly 10 years ago and have not looked back. We love being part of an inclusive community where people support each other and there is always a friendly smile. I have really enjoyed my involvement in local community groups, such as the BDHS P&C, junior sport and environmental groups and enjoy meeting new people, working together to support the community. I am an accountant and work locally and I would appreciate the opportunity to use some of the skills and experience I have developed to assist the school in achieving its objectives. My daughter, Mahli, has attended the school since kindy and is now in Year 5 and my Grand Daughter Gracie has started her BDHS journey in kindy this year.</p>		
<p>4. Vanessa Hewitt</p>	<p>My name is Vanessa and with my partner, Andrew Schilling, we live and run the family farm with our four children in Westdale. I have been involved in the school community since 2012 when my eldest child started Kindy.</p> <p>I have a Bachelor in Business with majors in Marketing and International Business. Before joining Andrew on the farm I was a Brand Manager. I also have extensive experience in Sponsorship, Events and Fundraising.</p> <p>I have been involved with many community groups over the years in Beverley.</p> <p>As my children still attend the school, I have a keen interest in being involved as a voice for the community and parent groups. I feel through this we can achieve value adding to the current programs within the school and develop further programs to benefit all teachers and students. I love working with my children and other children to include them with how they see their school.</p> <p>With my past experiences and involvement within the school and community I believe I can contribute positively if I was on the school board.</p> <p>I feel that I am an approachable person who will listen and take on board any ideas, recommendations or concerns that you should have and present them to the other members of the Board.</p>
